

Abstract template for iSTEM-Ed 2020

First Author¹, Second Author²

¹ Full address of first author, including country

² Full address of second author, including country

*email address of corresponding author

The document defines various components of the abstract including title and author list, as well as the affiliation, corresponding address and email address of each author. The Corresponding author is marked with * in the author list. Please do not change the style, including font, sizes of the text and paragraph spacing; and do not use special characters, symbols, or equations in this document.

The one-page abstract should be submitted in the form file of pdf or word. The word count in English version of the abstract must be lower than 300. Information about submission is available on the conference website at iSTEM-Ed 2020.

Keywords: (maximum 5 key words)
